Sea Base 2010 June 23-30, 2010

Updated 4/26/2009

The summer of 2010, Crew 32 will return in the Florida Sea Base for two great Scuba Adventures!

SCUBA ADVENTURE June 23-30, 2010 \$815.00 plus trans/misc expenses.

Come dive the coral reefs and wrecks of the Florida Keys. Designed for certified divers, this program offers nine dives (weather permitting). Explore the only living coral reef system in the USA, diving sites like Alligator or Tennessee Reef, exploring uncharted dive sites, up and down the Keys, or adding to Sea Base's own artificial reef. Your dive itinerary features a night dive, a deep dive (to 60 feet), marine life studies, and other underwater adventures. All food, lodging and equipment is included. You must be a certified diver to participate in this adventure, and crew members must be 14 years of age by date of attendance. This is an eight-day event. Explicit health concerns require a special medical acceptance in this program. NOTE: This adventure is available to 16 Venturers and Venturing Adults.

For more information on this adventure, go to: <http://www.bsaseabase.org/adventure/scuba.html>

Adults: Two deep leadership applies, so at least six Venturing Adults will get to participate. Remember that this is *their* adventure, so Venturers get first priority. Leadership selection will be made by the Crew Advisor and Crew Committee Chair. For now, ALL Venturing Adults are considered tentative.

About the Florida Sea Base: In the heart of the fabulous Florida Keys, on a sub-tropical island, 75 miles south of Miami, you will find Sea Base, home of the Florida National High Adventure program. The Florida Sea Base is Scouting's most complete aquatic facility offering sailing, sea kayaking, deep sea fishing, scuba diving, snorkeling, lobstering, and beach combing. You can explore the vast ecosystem of the Florida Keys and get a fish-eye view of oceanography and marine biology. The Sea Base facilities include a large, fully equipped "galley". The elevated dormitories overlook Florida Bay and one of the major bridges that separates the Atlantic Ocean from the Gulf of Mexico. Our harbor has a 300 foot dock for the larger sailing yachts, as well as many shorter docks for our smaller vessels. The swim "review" area is complete with a step down deck and marker buoys. The Ship's Store, our Trading Post, sells many items that you may have forgotten, or that you would like to take home as a reminder of your exciting adventures. Just a few miles offshore is the only living coral reef in North America, forming a protective barrier around the islands. Here, among the pillars of living coral, you come face to face with thousands of multi-hued tropical fish. The area abounds with legends and tales of unequalled adventure. To this day, the lure of discovering a buried treasure burns in the heart of all true adventurers.
